

## The 3003 Collaborative 2024 Primary Election Candidate Survey

Thank you for taking the 3003 Collaborative 2024 Primary Election Candidate Survey. Our goal with this survey is to understand your position on specific policies and issues that impact the Black community as well as your values. We will score all candidates running for office based on your answers to this brief questionnaire, including a lack of response. We will share a grade for each candidate with our base of supporters throughout Louisville.
